No More Homework! No More Tests!: Kids Favorite Funny School Poems

Synopsis

No More Homework! No More Tests! includes the funniest poems about school ever collected in one book. These hilarious poems were written by a number of poets, including Shel Silverstein, Jack Prelutsky, David L. Harrison, Colin McNaughton, Carol Diggory Shields, Kalli Dakos, and Bruce Lansky. Sillier than a teacher with hiccups, funnier than toilet paper stuck to the bottom of the principal's shoe, it is certain to have readers laughing by the first page. This book puts the cool back in school and makes students WANT to write and read poetry.

Bruce Lansky has edited 18 poetry anthologies and 3 silly song book anthologies. He has also created the GigglePoetry.com website for children, and the Girls to the Rescue and New Fangled Fairy Tales series.

I was mystery reader for my kid's class and the kids absolutely loved this book. I donated to the

classroom library because they all wanted to read it. I am actually going to buy another one for my other kids class.

This is another cute book that contains lots of giggles about school. My favorite poem is Norman Norton's Nostrils. I used this poem to introduce a health/science unit on body parts. Students participated in a fluency exercise. the book contains lots of gross and giggly poems that will motivate primary age students.

This was something that was recommended to me. It's not really something I have been able to use in my high school classroom.

Great book. My kids are keeping this one forever. This one will probably go to one of their kids one day.

My daughter (7) and I just love Bruce Lansky's books. The poems are truly funny. It's fun to hear her laugh when we read them. I would definitely recommend this book.

This is an awesome book of Poetry for children!!!! I, as an adult love to read it too. There's a lot of good laughs for you and your children. It's not a huge book, so it's not overwhelming for a child and inexpensive as well. Worth the buy, worth the laugh!

This book makes you want to go out and buy up the many volumes by the greats of children's poetry (because it pales in comparison). The works of such luminaries as Dr. Seuss, Jack Prelutsky, Judith Viorst, or Shel Silverstein are clever, upbeat (and most of all) fun! On the other hand, this book is negative in tone, mean in spirit, and panders to the basest instincts of a first grader. If you read this book to your child, you'll have to wash out your own mouth with soap.

Good condition.
